Partnership of Two Companies Produces World Leading Quality & Continued Growth.....

Viking Packaging Technologies, Inc. (VPT) based in Kohler, WI and **Masek®** of Vlasim, Czech Republic are pleased to announce their continued partnership.

In 2002 Masek® acquired VISION™ Verpackungstechnik, Germany. This increased the product range to include high-speed continuous motion V/F/F/S machines. Now the partnership between VPT and Masek® has resulted in the expansion of the **Viking™** line

of vertical packaging machinery to include **Stick pack machinery available in 4 - 20 lanes** and several revolutionary **Continuous Motion** packaging machines – the **VELOCITY** & the **VANTAGE**. As VPT and Masek® continue to grow their companies into one **dominant global packaging provider** you can rest assured you will receive the very best, most rugged packaging technology with the very best service and support the industry has to offer.

For more information on the rugged, industry changing Viking™ line of v/f/f/s machinery please call Rick or Robb Leonhard at 920-467-1400 or visit VPT on the internet at www.VikingPT.com or at their U.S. headquarters in beautiful Kohler, Wisconsin.
